

SADDLEMEN SPORTBIKE SEATS – FITMENT GUIDE

- Ⓢ Second-to-none styling improves the appearance of your motorcycle and its function.
- Ⓢ Designed specifically for the rider that needs a seat that can do everything — canyon carving, track days, commuting, or 1000-mile days.
- Ⓢ Saddlemen's Gel Channel technology incorporates gel and a channel in the main foam (patents pending) to relieve pressure on the perineal area and increase blood flow to keep you comfortable and in the saddle longer.
- Ⓢ Bucketed rear section provides better comfort in any riding situation – commuting use or aggressive riding.
- Ⓢ Mounting hardware & instructions are included.
- Ⓢ Includes easy-to-install matching passenger seat cover.
- Ⓢ Advanced gel construction combined with carefully crafted contours provides excellent support and uncompromising comfort.
- Ⓢ Made in the USA.

TRACK model seat specific features:

- Hard-line custom styling with contrasting colors.
- Specifically designed to complement your motorcycle's colors and textures.

SPORT model seat specific features:

- Black-on-black, micro-fiber material cover provides cooling, breath-ability and an unmatched look.

TECH model seat specific features:

- Flexible fabric cover breathes well over a concealed gel channel and a layer of memory foam that conforms to the shape of your body.
